

KEAAN Leather Care

- Do not wash your bag with water, leather cleaners, wet cloth
- Do not dry clean or machine wash.

- Do regularly clean leather with a soft brush or cotton cloth.
- Do regularly air out leather.
- Do blot away water or moisture as soon as possible.
- Do dry wet leather naturally, away from artificial heat.
- Do keep leather supple with a specialized leather conditioner every 3-6 months.
- Always keep your KEAAN Handbags in the KEAAN Cotton bag provided while in storage.
- Store your KEAAN Products in dry storage away from humidity, dampness, and moisture.
